7- The size of syllabus in terms of load on the students is appropriate.

10 responses

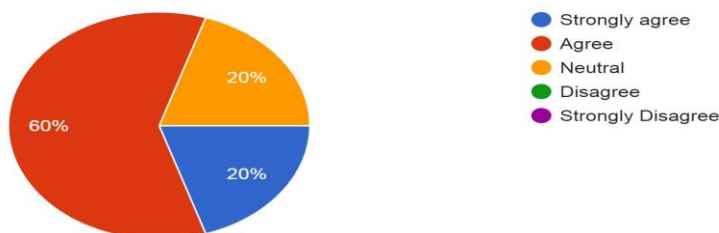

8- The Course offered in relation to the technological advancement.

10 responses

9- Any other topic to be included in the syllabus.

10 responses

10- Suggestion if any? (Like Co-curricular / Vocational courses or any other)8 responses

- Other extracurricular activities as per the interest of students should be incorporated like yoga ,environmental issues ,personality development on regular basis
- Vocational education training should be more
- Students are interested in internship programs. Also, alka Gupta book is not sufficient from exam point of view. More books can be ordered
- Yes we can add one co-curricular and vocational course to make versatile students in many aspects
- More activities should be included. Course should be practically rich
- More practicals can be added in the curriculum
- Definitely we must add the topic n courses like -skill development Technical
- Add more and more practicals in syllabus.
- edit the topics n syllabus not relevant to the Subject
- Vocational training
