Subject: Implementation of NEP and Teacher Feedback

Dear Sir

This is to state that Ram Chameli Chadha Vishvas Girls College, Ghaziabad is a girls college offering 12 U.G. and P.G. programs. We are happy that from year 2021, NEP has been introduced. As an affiliated college, we would like to bring to your attention the progress and challenges encountered during the implementation of the National Education Policy (NEP). Our faculty has actively engaged in this process, and we have gathered valuable feedback from teachers regarding the changes introduced.

The general sentiment among our teaching staff is positive, with appreciation for the emphasis on holistic education and skill development. However, there are concerns about the need for additional resources and training to fully align with the new curriculum and assessment methods.

We believe that open communication and collaboration between the university and affiliated colleges are crucial for the successful implementation of NEP. We request further guidance and support in addressing the identified challenges and ensuring a smooth transition.

We look forward to your insights and assistance in fostering a conducive environment for the effective execution of NEP.

Sincerely,
