Report

The workshop began with an introduction and welcome address by the activity coordinator Mrs Parul Pachauri, setting the tone and expectations for the event. The resource person, Mr. Vikas displayed various models of Usha sewing machine like Usha Marvella, Allure Deluxe ,Wonderstitch and also gave live demonstration of the working of these models. On the first two days hands-on training sessions were provided where participants practiced sewing techniques and use different features of Usha Sewing machines. Then the participants were asked to apply their sewing skills and develop an article. At the end troubleshooting session was offered to address common issues faced by participants with their sewing machines. The importance of safety measures and proper maintenance of Usha sewing machines was also discussed. The participants were given handouts of sewing machine models for future reference. The workshop ended with a note of thanks and appreciation by Dr. Neetu Chawla, Principal, RCCV Girls College, Ghaziabad.

Report

A Lecture on “**India: Mother of Democracy**” was scheduled on the occasion of “**Constitution Day-26th November**” The resource person of this event was Dr. Gunjan Sachdeva (Assistant professor, Department of Political Science) from H.L.M.College, Ghaziabad. Dr. Gunjan Sachdeva said that “Democracy has been our identity for thousands of years and our diversity is the identity of our strong democracy. India is the only country which has the distinction of “**Mother of Democracy**”, diversity is a strong example of a vibrant democracy. By using our right to vote we can give our contribution in democracy.

Report

To make aware the students regarding the changing paradigms under globalization in present time in teacher education a guest lecture was organized in the college campus on the topic "Changing paradigms in Education under Globalization: Implications for preparing teachers for diversity." This guest lecture was given by DR. Bhawna Arora (Assistant Professor, LSR College, Delhi). She expressed her views on the topic through a PPT presentation in which she said that globalization in teacher education means to prepare teachers for increasing diversity in classrooms. Teacher education also now serves a pool of (future) teachers who themselves are on the move, as teachers - before or after their teacher preparation travel across national boundaries to work. Chairman KVS Sirohi, Secretary Dr. Geeta Malhotra addressed the students also motivated them to prepare themselves according to the changing paradigm in education field. On this occasion Principal Dr. Neetu Chawla also addressed the students and told that globalization in teacher education also entails the movement of ideas across local contexts. Ideas of good teaching. and what this means for teacher education

Report

At the initial stage, Mrs. Rama Tyagi delivered lecture and make the students understand about the basics of gardening. She covered topics like preparation of soil, layout of kitchen garden, seasonal vegetables and various species of plants and foliage used in kitchen garden, fertilizers, compost, usage of waste material in creative way in our gardening. Next the students prepared seed bed using seasonal seeds like carrot, turnip, cauliflower, cabbage, lettuce, coriander, spinach. After that garden layout was done. Following layout designs were finalized:-

1. Pizza garden
2. Medicinal corner
3. Vegetables corner
4. mosquito repellent corner
5. Decorative plants corner
6. Tray gardening
7. Vertical gardening

. Apart from gardening, students imparted knowledge of gardening, benefits and importance of gardening through charts, posters etc. They also showcased their creativity by making decorative items which added beauty to the garden. After the efforts of our department, the video shoot was done by DOORDARSHAN and it was telecasted on DD KISSAN on 7th January, 2023. It was a great milestone achieved by the BSc. Home Science department.

Report

Micro teaching is a teacher training technique for learning teaching skills. It employs real teaching situation for developing skills and helps to get deeper knowledge regarding the art of teaching. Micro-Teaching allows the teacher to focus on the acquisition of teaching skills through the selection of only one standard of competence. Thus, it helps the teacher reduce the complexity of teaching in the normal classroom. Micro teaching is a scaled down sample of teaching in which a teacher teaches a small unit to a small group of 5-10 pupils for a small period of 5-10 minutes. Micro teaching is defined as “a scaled down teaching encounter in class size and class time.

As Micro Teaching is the base of teacher training, on 11/02/2023 a guest lecture on 'Micro teaching' by Dr. Neelam Srivastava was organised by RCCVG B.Ed.

REPORT

The importance of a balanced diet can't be emphasized for a healthy lifestyle. A healthy lifestyle can be attained by maintaining a balanced diet and keeping into consideration On meeting all the essential nutrients required by the body. A proper meal plan helps to attain ideal body weight and reduce the risk of chronic diseases like diabetes, cardiovascular and other types of cancer. Eating a variety of food and consuming less salt, sugars and saturated and industrially-produced trans-facts, are essential for healthy diet. A healthy diet is a diet that maintains or improves overall health. A healthy diet provides the body with essential nutrition: fluid, macronutrients such as protein, micronutrients such as vitamins, and adequate fiber and food energy. In the context, R.C.C.V B.Ed. department on 16/02/23 organized a guest lecture on the "Balanced diet for a healthy lifestyle" by Ms. Garima Kathuria (Dietician). On this occasion, the chief speaker Mrs.Garima Kathuria (Dietician) expressed her views on the "Balanced diet for a healthy lifestyle" and highlighted the adverse effects on health due to the changing lifestyle in the present times. On this occasion, Dr.Ritu Tyagi (Principal, T, Muradnagar) through her address motivated the girl students to include balanced diet in their lifestyle. On this occasion, the principal of the college Dr.Neetu Chawla gave the very useful message of "Balanced diet is the basis of healthy life". The guests of the event were welcomed and thanked by DrVeena Dalia. Head of the Department.

REPORT

Firstly the principal Dr. Neetu Chawla lighted lamp in front of goddess Saraswati and after that Rashmi Tyagi gave the lecture and told the students about many disease and its diagnosis in Ayurveda like thyroid, blood pressure and depression also. Ayurveda has a lot of medicines and treatments that help people reduce stress and anxiety. According to her Ayurveda can help on a cellular level and has the potential to regenerate cells

It has been indicated that human bodies have the power to heal themselves of certain ailments, simply through the way we treat our bodies. She aware the students about ayurveda diet, Ayurvedic herbs and essential oil that would help to improve blood flow and circulation while drawing out toxins from the body. Student listened the lecture with great attention and promised to spend life with ayurveda medicines. Lecture was attended by all the faculty and students with very much enthusiasm. In the end of the lecture vote of thanks was given by Dr Veena Dalaria HOD (B.Ed. department). Approx 70 students attended this guest lecture successfully.

REPORT

Professional ethics are ethical principles that a person or a group of people in a particular environment are obligated to follow. They are the guiding principles that need to be followed by or are supposed to be followed by the people in that particular profession. Professional ethics is different for different professions depending on the weight of responsibility that accompanies it. Every workplace has its own set of work ethics - but why? Why are professional ethics so important in the workplace?

So, on 7/5/23, RCCVG B.Ed. Ghaziabad organised a guest lecture on "Professional Ethics for Teachers" by Dr. Hemendra Singh. Dr. Neelam Srivastava (Asst. Prof.) accorded warm welcome to the speaker. Dr. Hemendra Singh emphasized that, Professional ethics promote equality, non-partiality, and a collaborative mindset within a workplace environment. Maintaining ethical standards ensures that all people at the workplace are treated equally and respectfully, and is a must for the prosperity of that school or organization as well as the development of a person's personality. Good ethics will help to maintain the honest image of the school or organization as well. He further added, just like in the case of a brand or organization, the school staff is also obligated to maintain a set of standards that are instrumental in promoting a safe and inclusive learning environment. He also asserted his point of view on NCF 2009, implementation of code of conduct with surprising facts and figures and resolved the queries of the participants in an effective way.

vapors, it is also very important to know the laboratory safety fire extinguishers usage along with the awareness of when and where to use water, students should know the multiple exit points of lab. In case of exposure to chemicals immediate first aid must be provided to the students. Tasting or smelling unknown chemicals can be dangerous. Any kind of eatables and cosmetics, drinks should not be used in laboratory. Apart from general awareness students were also demonstrated with the laboratory precautions which must be taken while preparing the standard chemicals for their usage. Students gained a lot of knowledge from this guest lecture. At the end of guest lecture, students asked their questions to the speaker and gave very positive feedback for the event. Huge number of students shown interest and attended the guest-lecture around 93 students were present and all the staff members also participate in the event.

ABOUT CSTDE- 2022:

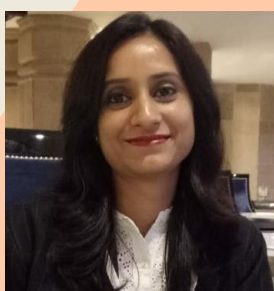

The prime purpose of this CSTDE-2022 is to provide basic knowledge of IPRs, its importance and implications in promoting entrepreneurship and start-up ecosystem among young Faculty members and Scholars through FDP. IP is the outcome of human intellect, in other words we can say that intellectual property is an idea of mind that gets transformed into physical form which is commercially viable and which improves the quality of human life. Although, there are plenty of creative and innovative energies which are flowing in India but still, much of the Intellectual Property (IP) created remains unprotected. The purpose of CSTDE-2022 is to create awareness among researchers and faculty members to understand the procedures of patent filing and commercializing their product.

REPORT

Two day National Seminar was organized in R.C.C.V Girls B.Ed. college on 11 and 12 April 2022. The chief guest and resource person of this seminar was a renowned name in education field 'Dr. Rekha Agarwal' (professor, central Government ,South Bihar, Gaya). She presented her views deeply on this topic and side that this course will help candidates to save one year for those who are pursuing B.Ed. after completing a bachelor's degree, which currently takes 5 years She also gave important information regarding these course and told that according to National Education policy 2020, teacher recruitment from 2030 will be purely based on "only through ITEP" And it will be offered to candidates in pilot mode in about 50 selected multidisciplinary institution across the country. This course is specially designed to help the students who choose to teach as a professional after clearing school.On this occasion Dr. Neetu Chawla (Principal, RCCVG College) also addressed the student and told that this ITEP is a milestone achievement in fulfilling one of the major mandates of National Education policy 2020. The course will contribute substantially to the revitalization of the whole teacher education sector. On this occasion Ms. Shashi Khanna (Registrar RCCVG College) also shared her views and appreciated that this type of seminar should be organize in the college.

REPORT-

The focus of the speaker was on interpreting the legal provisions in a manner to protect girl's rights and provide simple solutions to the problems faced by girls. She also defines section 354, 352, 376 etc. This event spread awareness about mental health and taught how to deal with such issues of mental well being. The symptoms of mental distraction are- self harm, lack of interest in daily life, suicidal thoughts, lack of self care, inability to sleep. The webinar concluded with interpreting the positive meaning from negative words. My attitude for 2020 –

FAIL –First attempt in leaving

NO- New opportunity

FEAR- Face everything and rise

END- effort never dies

and at last speaker solved student queries efficiently.

REPORT

Dr. Charu talked about the growth trends when it came to Mergers and Acquisitions in India. She also discussed how web analytics helped companies like Flipkart. One of the most interesting topics that pulled the attention of many students was Analytics and Investment Banking he briefly discussed it with sync to the global financial services, and what opportunities we as individuals could explore.

Towards the end she covered the skills needed to get into these domains of Financial Services. Skills included relationship management, financial modeling, strong communication skills, sound knowledge of excel, statistic and overall business understanding. After the lecture many finance students were clear with their perception about the financial services industry. Over all the lecture was very informative and it helped many non-financial students as well to get a glimpse the industry.

REPORT

As Micro Teaching is the base of teacher training, on 15/3/21 a guest lecture on 'Micro teaching' by Dr. Nisha Singh was organised by RCCVG B.Ed. college Ghaziabad. Dr. Nisha Singh conducted the whole session in a very interesting & interactive way. She said that micro teaching is a wheel of teacher training. She further cleared the concept of micro teaching in an interesting & interactive way. Dr. Nishasingh further elaborated abbreviation of MICRO TEACHING, which was very interesting. Dr. Nisha Singh cleared the concept of Micro Teaching through PPT which made it very interesting & easy to understand. The whole session was very interesting & students thoroughly enjoyed this program. Approx 49 students attended this workshop successfully.

REPORT

Dr.Verma explained how we can produce & store heat from the sun in the laboratory. The most important in the practical application of plasma lies in the future, largely in the field of power production. Plasma is a form of matter in which many of the electrons wander around freely among the nuclei of the atoms. The resulting super-ionized gas is plasma which can conduct a large and sustained electric current. A new large scale sustainable and carbon free form of energy is urgently needed. Fusing atoms together in a controlled way releases nearly four million times more energy than a chemical reaction such as the burning of coal, oil or gas & four times as much as nuclear fission reaction. Fusion has the potential to provide the kind of base load energy needed to provide electricity to our cities & industries. The average cost per KW of electricity is also expected to be similar-slightly more expensive at the beginning when technology is new and less expensive as economics of scale bring the cost down ITER is international Nuclear fusion research and engineering mega down project aimed at replicating the fusion processes of the sun to create energy on earth. The ITER project is a globe spanning collaboration of 35 nations.

Report

This was very useful session for our students, it helps them see their daily tasks as part of their long-term goals and consider how what they are doing lines up with your life purpose. Self-development is the process of learning new things and building new skills—skills that help us increase our chances of success, achieving our goals, and manifesting our dreams.

SEMINAR ON "PROFESSIONAL ETHICS"

Date of Guest lecture :18/2/2020.

Venue:-Ram Chameli Chadha Vishvas Girls college, campus 2

Resource Person :- Dr. Sandeep Gupta (Principal Ramjas Sr. Sec. School Delhi)

Activity Incharge:- Dr.Neelam Srivastava.

Faculty Members :- Dr. Namita Sharma (HOD), Dr. Veena Dalaria , Dr. Neelam Srivastava, Dr. Namita Sharma, Ms. Pallavi Sharma, Ms.Rekha Gupta, Ms. Kalpana Mittal.

Event:-

In this era of rapid globalization and modernization, people have become the victims of materialistic desires and attitudes leading to a loss of basic values. The same shift is being observed in the teaching . Recently there has been a sudden increase in the teacher education institution in various states of India that has no doubt led to wealth of educational options in remote areas for all however it has also resulted in dilution of quality, infrastructure, human resource etc, along with an absence of professional ethics. As teacher are preparing teachers of tomorrow there is a need for them to demonstrate professional ethics to inculcate values in the society at large. This code of professional ethics may be defined as a set of self imposed professional ideals and principles necessary for the attainment of professional excellence and self-satisfaction.

To inculcate these professional values in would be teachers R.C.C.V. Girls College B.Ed. department organized a guest lecture on 18/2/2020 the topic "Professional Ethics" by **Dr. Sandeep Gupta (Principal Ramjas Sr. Sec. School Delhi)**. In the beginning of the program Dr. Namita Sharma (H.O.D) of B. Ed. department welcomed to the chief guest Dr.Sandeep Gupta. After this, He told about the qualities of teachers in very simple words, he also told that to become a successful teacher, it is necessary for the teacher to have patience, kindness, contentment, friendly behavior, discipline and complete knowledge of his/her subject. At the end of the program, Dr. Neelam Srivastava given thanks to the chief guest for giving all the valuable information. All the teachers played an important role in the conduct of this program.

REPORT

'Mental Health is as important as Physical health'

Mental health now days is an important issue that needs to be addressed among every individual. In order to bring awareness among the students and staff about the same, RCCVG B.Ed. college Organised Online guest lecture on 'Mental Well Being In Times of COVID-19' by Dr. Nidhi Arora an eminent doctor. In the beginning of this special lecture Dr. Neetu Chawla Principal of RCCVG College welcomed Dr. Nidhi Arora. Then Dr. Neelam Srivastava Assistant Professor RCCVG B.Ed. department briefed about Dr. Nidhi Arora's achievements.

The Objective of the event was to enhance awareness of the students about importance of mental health more so in these trying times, where people have been kind of socially cut off from each other. To provide them practical tips on how to cope and find solutions to problems. Dr. Nidhi Arora talked about avoiding and going into unnecessary details of negative news around us. She stressed on avoiding magnifying problems beyond proportions of control as she said it's not just physical pandemic that we are facing but a parallel mental pandemic going on across the world. She also talked about eustress (positive stress) and distress (negative stress) where one is in a dangerous zone and needs help. She talked about preventive steps and enjoying the journey of life. She gave many real-life examples to put across her point. She stressed that when people look for blaming others, playing self-victimization, in that case one starts feeling helpless and all sorts of negative thoughts start creeping in mind. Dr. Nidhi discussed about various forms of Mental problems along with its symptoms. She further stressed on the management strategies on how to tackle these Mental problems in our daily life.

Dr. Nidhi talked about the importance of sleeping in time as it helps in rejuvenation, and building the immune system. She asked everyone to follow biological rhythm of the body which should be in sync with that of the environment. The session ended with question-and-answer session from the audience. Total 110 students and faculties attended the session.

Dr. Namita Sharma (HOD) of RCCVG B.Ed. extended the vote of thanks at the end of the lecture. This report is compiled by Dr. Neelam Srivastava.

Faculty Member : Dr. Neetu Chawla (HOD) , Dr. Veena Dalania , Dr. Neelam Srivastava, Dr. Namita Sharma, Ms. Pallavi Sharma, Ms. Rekha Gupta, Ms Anupama Chaudhary.

Event:

Motivation is the key to success. Keeping in mind the importance of motivation for everybody, a workshop was organized by Ms. Pooja Babbar (**Senior Teacher of DPS Ghaziabad.**) on 23/7/2018. She informed the students that they should not get dishearten by the failure, rather take failure as the stepping stones to attain their goals. She further said- Do not measure a person by how many times he falls, measure it by how many times he climbs up again. She discussed the importance of positive optimism to life and such constructive changes can make one brighter and more successful. This program helped students to be guided by a positive mind and driven by self motivation.

TIME MANAGEMENT WORKSHOP

Date of workshop:-06/04/2019

Venue:- Ram Chameli Chadha Vishvas Girls College, Campus 2, Ghaziabad(UP)

Resource person:- Mr. Rajeev Sharma (C.E.O. , III TECHNOLOGY)

Activity In charge:-Dr. Veena Dalaria

Faculty Member :- Dr.Namita Sharma (HOD) Dr.Veena Dalaria, Dr. Neelam Srivastava , Mrs.Pallavi Sharma, Ms. Rekha Gupta.

Event:

“ Time and tide waits for non”. Just like a tide time once gone does not come back. It is even important than money. Money once gone can be earned again but time once gone cannot be brought back. Therefore, it is very important to use time wisely. To make best use of time one should always priority things. The best way we can manage and use time is to make and follow a time table.

Citing these valuable examples on time, a guest lecture was organized by Mr. Rajeev Sharma. In this workshop Mr. Rajeev Sharma told about Time management routine. That strict time management routine removes laziness from life and makes an individual active. We suggested that he should make strategies to complete our daily responsibilities. He told that we should make a ‘ to- do- list ’ and try to follow that. People who gave great value of time become successful in their lives. Those who messed good opportunities of time were never successful. Time should always be utilized in good actions. In order to manage your life, you need to set a proper schedule for everything you do in 24 hours. Once you start doing everything on time your life will set its goal and you will surely get success in your life. In the end of workshop Dr. Veena Dalaria (Activity Incharge) gave vote of thanks to Mr. Rajeev Sharma. We hope that valuable suggestions would prove very beneficial for students in future life. Whole activity was completed very successfully with the contribution of all faculty members.
